Scott, Chris, Paul and crew,

We know we have thanked you for the wonderful job you have done a million times, but wanted to formally do so again. It was a pleasure to work with such a conscientious contractor. Cheryl and I have worked with a number of contractors over the years, both on a residential and commercial scale and have never been as pleased as we are with this project. The quality of the workmanship, your suggestions, advice and honesty, has not only won our praise.....but our hearts!

Again, a special thanks to you, Paul, and all your employees who worked so hard to get us in on time. We are proud to have our customers visit our new facility. Keep up the good work and have a great year!

Sincerely,

Mike & Cheryl Munsell
